EXPERIENCE

Line Cook   **08/2021- Present**
Interurban   **Portland, OR**
- Co-developed a user-friendly, intuitive, and secure website from scratch with interactive features to optimize traffic and user experience.
- Collaborated with all stakeholders successfully while remaining fiscally responsible.
- Boosted funding and organization visibility by 35% through the creation of online animal profiles, surveys, contests and donation forms.

Line Cook, Pastry Chef   **10/2019 to 06/2021**

Shine Distillery

- Expressed verbal and written communication with coworkers, with large parties and structured gatherings, it was paramount to have food runners and servers take out courses as well as explain to the patrons what will be coming up next.

- Helped the owners and managers with the digital layout of entering custom orders, modification buttons, and cost adjustments with Toast, this led to faster and less complicated tickets from the guest and chef.

- Conceptualized specials and new menu items, using skills and techniques to ensure that the menu never feels stale, also utilized local farms and other providers.

- Ascertained the skills of new hires and trained them accordingly, allowed less training time, cost, and being able to employ the candidate more completely.

Lead Line   **04/2018 to 10//2019**
Hopworks Bike Bar

- Improved verbal and written communication, to help and or write daily specials and new arrival of seasonal products.

- Generated an incoming and outgoing product system that decreased loss and waste, when transferring from one business to another.

- Promoted co-worker's success within the company, showing strength and skills that were beneficial.

EDUCATION

Certificate, Full Stack Web Development   University of Oregon

Bachelor of Arts, English Literature (in progress)   University of Phoenix
